

MOVING US FORWARD

LAKELAND FAMILY YMCA CAMPUS TRANSFORMATION PROJECT

NEWSLETTER 1

NOVEMBER 2023

FAQ'S

WHAT IS THE TIME FRAME FOR PHASE 1 (PARKING LOT)?

We estimate phase one of our project to take 9-12 months.

WILL THE POOLS STAY OPEN DURING CONSTRUCTION?

At this time, our pools will remain open during construction.

WILL THE PLAYGROUND STAY?

When renovations start, our main playground will close. Our renovations and construction include adding three new playgrounds for our members and childcare.

WHAT DOES THE FUTURE FOR THE OTHER BRANCHES LOOK LIKE?

When renovations are complete, we aim to provide our North Lakeland location with a similar renovation project.

ARE WE GOING TO HAVE VOLLEYBALL/ PICKLEBALL?

Yes! We are excited to add volleyball nets to our fieldhouse and pickleball lines in our Historic Gym.

IS THE WEIGHT ROOM GOING TO BE RENOVATED/UPDATED?

Yes! Our weight room will be moving to our fieldhouse. We will be adding more space and all new equipment.

WHAT ARE THE RENOVATIONS FOR GROUP EXERCISE?

We will be doing a complete renovation of our current group exercise room. Studio X will also be renovated and expanded. Lastly, we will add a third group exercise room for our members.

Dear member,

Thanks to generous support from the Community, we are ready to begin a three-year project to expand and transform the Lakeland Family YMCA on Cleveland Heights Boulevard. Once completed, these improvements will create a better, more vibrant YMCA that will benefit all our members.

The Y will remain open during the construction project and our dedicated team is working very hard to minimize any disruptions to services. Here is what you can expect during this transformation:

ENHANCED FACILITIES: Our goal is to provide you with state-of-the-art fitness areas, updated locker rooms, expanded program spaces, and more.

ADDITIONAL PARKING: We've heard your concerns about parking availability. To address this, we will be increasing the number of parking spaces to ensure a smoother experience when visiting the YMCA.

INCREASED ACCESSIBILITY: We're committed to making our YMCA more accessible to all members, with improved ramps, elevators, and other features to accommodate individuals of varying abilities.

EXPANDED PROGRAMS: The enhanced facility will pave the way for an even broader range of programs and activities, catering to all ages and interests.

COMMUNITY HUB: We aim to create a welcoming community hub where members can gather, connect, and build stronger relationships.

The first phase of this project will focus on the parking lot expansion and the construction of a new field house. An expansion of our Child Development Center will follow, and the final phase will be the renovation of the existing building. Completing this work in phases will help minimize the impact on operations. We will continue to keep you informed on any issues that may impact programming at the facility. Please look for future updates by e-mail, social media, and our website www.ymcawcf.org. If you have any questions, concerns, or suggestions during this period, please don't hesitate to reach out to our dedicated team. We appreciate your patience and understanding as we work to create a better YMCA for you and future generations.

Thank you for being a part of our YMCA community, and we look forward to sharing this transformation with you.
